

Abby's Angels Foundation

Providing Hope & Encouragement to children and their families through Love, Laughter, & the Gift of Life

Abby's Angels Scholarship Presented by: Abby's Angels Foundation

Abby's Angels Foundation was created August 2013 to forever honor our Angel Abby. Abby gave the gift of life through organ donation at the age of 9 on Christmas Day 2012 after succumbing from injuries sustained in a car wreck caused by a distracted teen driver. Abby's Angels Foundation's mission encompasses her legacy of love and giving.

Abby's Angels Foundation is seeking high school seniors who have been accepted to a 4-year college or university. The foundation will award \$1000 to one senior from East Coweta High School, Newnan High School, Northgate High School, a private/parochial high school, and a graduating senior from a high school outside of Coweta County. The award is based on criteria that extend beyond academics and extracurricular activities. The foundation is seeking students that are actively making a positive impact on the lives of others. The successful candidate will achieve the highest aggregate score on the application as compared to their peers.

The Abby's Angels Scholarship Committee will score the applications on a weighted scale. All applications and information will be kept confidential and no personal information will be shared outside the committee.
