in partnership with

# KATE'S CLUB

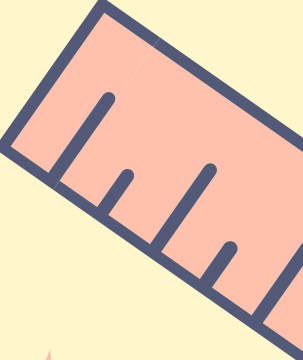

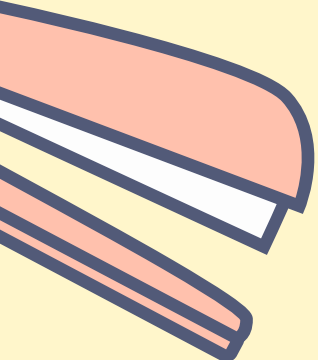

**Abby's Angels Foundation in partnership with Kate's Club is offering free grief support to children & teens once a month.**

These services are funded through a grant awarded to Abby's Angels Foundation by the Newnan Junior Service League.

Through the death of their daughter and sister, Abby Bacho, the Bacho family realized there are limited grief services for the youth in our community.

**The most recent statistics in Georgia: 1 in 13 children have lost a parent, sibling or primary caregiver.**

Kate's Club empowers children facing life after the death of a parent or sibling. We create healing communities through recreational and therapeutic group programs, education, and advocacy.

Kate's Club's vision is a world in which it is OK to grieve. Grief in children can be isolating and misunderstood. Kate's Club offers a safe and welcoming environment where the child/teen can spend time with others their age who have similar grief experiences.

**Where: Odyssey Charter School 14 St. John Circle Newnan, GA 30265**

**Meeting Times: Sundays once/month 3pm-5pm**

**First Kate's Club: September 22 Orientation & Open House**
